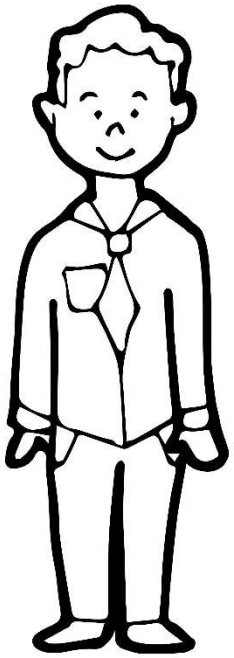
CLIENT PROFILE

Client: SEBASTIAN TORRES
Client Number: 7392



Sebastian is a 25-year-old single male. He currently lives at home with his parents. His net income from work is $914.92 per month. He also makes about $110 per month from a side hustle. He has considered his monthly expenses. He pays $115 for a bus pass, $14 for his Netflix subscription, $100 for groceries, $45 for his cell phone bill, $70 for a gym membership, $100 towards his tuition payments, and about $40 for other expenses, like gifts.

He wants to move out and rent a 1-bedroom apartment for $750 in Beeton, Ontario, with utilities included.

Budget Research

Research three things Sebastian could do or strategies he could use that could make his budget more flexible. These should be concrete ideas that are actually feasible for someone to implement in real life. For example, "Sebastian currently spends $70 on his gym membership. He could get a membership at Everytime Fitness for $35 instead."
